

INVITATION

Dear blacksmiths,

We are looking forward to three special days at the „Schmiedemeile“ in Ybbsitz and would like to cordially invite you to the newly conceived blacksmiths' convention entitled “Ferraculum reloaded.” Anyone interested in blacksmithing or creative metalworking is welcome to join.

The meeting will be largely shaped by our blacksmiths. So, we're looking forward to fresh ideas, new connections, and an interesting exchange of experiences.

Topic:
